United Nations E/2013/47

Economic and Social Council

Distr.: General
25 March 2013

Original: English

Substantive session of 2013
Geneva, 1-26 July 2013
High-level segment: annual ministerial review

Science, technology and innovation, and the potential of culture, for promoting sustainable development and achieving the Millennium Development Goals

Note by the Secretariat

The Secretariat herewith transmits, in accordance with Economic and Social Council resolution 2008/29, in which the Council requested the functional commissions to contribute to the annual ministerial review and to the Development Cooperation Forum, a note by the Secretariat entitled "Science, technology and innovation, and the potential of culture, for promoting sustainable development and achieving the Millennium Development Goals" (E/CN.6/2013/10), to the annual ministerial review of the 2013 substantive session of the Economic and Social Council.
